Questionnaire 2

Please provide answers to all the questions in this document. For the questions with alternatives, provide only one answer if not specified differently. If you do not have enough space to write your answers, continue on the back of this paper.

Your answers will be treated anonymously. Your name will only be used to connect your answers to your inspection records. No individual information will be made public in any form.

Please, answer the questions in either Swedish or English.

Name:_____

1. Document
