

# Communication Survey

Thank you for participating! Your contribution provides valuable research input.

1. In the table on next page, please identify which team members that you communicated with in connection with the work *for this sprint* and provide details of your interactions.

*(Please, turn over!)*

2. For each person in the table (except yourself!), please answer the following:

Name	How long have you worked together?	On a scale 1-5, how hard is it for you to communicate and reach understanding with this person? 1 = Not hard, 2 = Some effort required, 3 = Medium effort, 4 = Much effort, 5 = Extremely hard
a	___ years      ___ months	
b	___ years      ___ months	
c	___ years      ___ months	
d	___ years      ___ months	
e	___ years      ___ months	
f	___ years      ___ months	
g	___ years      ___ months	
h	___ years      ___ months	

Please note your name below to enable connecting your answers to other data I have collected. All collected data is treated as confidential and will only be reported anonymously and in a generalised/abstracted fashion.

Name: \_\_\_\_\_

1. Please identify which team members that you communicated with in connection with the work for this sprint and provide details of interaction

Name	How frequently have you contacted this person during this sprint?	Nature of interaction (Select all applicable)	Concerning user story
